President's Message

Dr. Ronald E. Ohl

On behalf of the University Community, I welcome all Tiger fans to what promises to be a very exciting season. Our turn-of-the-Millennium men's and women's basketball teams are poised to bring Salem International yet more honor on the court—a tall order considering that in the last five years the teams have won multiple West Virginia Intercollegiate Athletic Conference Championships, National Collegiate Athletic Association Division II East Regional Championships and have set a new high mark with a trip to the NCAA Division II Final Four.

While we laud our basketball team members for their athletic prowess, we also want to honor our more than 200 student-athletes from all sports. These exceptional young people show great personal discipline in balancing the pursuit of their sports with a full-time college schedule. Many of our athletes garner some of the school's highest academic honors. We are also proud to graduate nearly 100 percent of our senior athletes.

The athletes you will see playing today are an integral part of a campus community that stretches cultural and intellectual boundaries. All of our students engage in intercultural activities while studying subjects ranging from Molecular Biology to Japanese Studies to International Business to Equine Careers and Industry Management. With students, faculty and staff hailing from West Virginia, most U.S. states and more than 30 nations—it takes the effort of every person on campus to maintain both diversity and cohesiveness.

As University President, I wish all of our students a successful academic year and all of our student-athletes the most successful seasons they have ever seen. I know they will represent Salem International University, the WVIAC, and the NCAA Division II with distinction.

TIGER PREVIEW

It is easy to see why the fans in Salem look forward to Salem International men's basketball season every year. With a great program that continues to grow, headed by a coaching staff that accepts nothing but the best, this year's Tiger team should not only impress the fans but also dominate the West Virginia Intercollegiate Conference (WVIAC).

The Tigers return two starters from last season who will be the veteran leaders for this year's squad. To outsiders it may seem like this year's Tiger team took a hit by losing 3 starters, but Coach Mike Carey is confident his returning lettermen and new comers will fill in the gaps.

Last year's team went 28-4 with a 16-3 conference record. The men were WVIAC Tournament Champions and made it to the 2nd round of the 2000 NCAA Division II National Tournament. Lost from that team were guards Michael Thompson (10.3 ppg), Amilcar Butler (13.8 ppg), Charles Dinkins (18.1 ppg and 6.24 rpg), and Leroy Blyden (10.6 ppg and 9.47 rpg). Their shooting abilities will be missed, however with this year's recruiting class shouldn't miss a beat.

Four seniors lead this year's team: 1st Team All-Conference and 2000 Pre-season All-American center Ed Jenkins, forwards Joey Fenstermacher and Derrick Paul, guard Keith Harrison, and point guard Mike Blunt. "These four young men are the epitome of this program. They will be great leaders for our team...something we have struggled with in the past. I am proud to say these five athletes are our seniors - Coach Mike Carey." Donnie Johnson also returns to this year's 2000-2001 Tiger roster as a junior.

Coach Mike Carey and Danny Young add eight new players to the 2000-2001 team. Three of the eight recruits were redshirts: James Fowler, Greg Cannon, and Kenia Williams. Fowler played at Hagerstown Junior College where he averaged 20 points per game and 6 rebounds per game. Cannon, a 6'8 forward, played at Gloucester County College, where he averaged a double - double (20 ppg and 13 rpg). Kenia Williams, an athletic guard from Shasta Community College, averaged 15 points and 6 rebounds per game. Having a year to adjust to Mike Carey's coaching style, they are eager to step on the court and contribute.

Other players that join the 2000-01 roster is junior college transfer Chris Weakley. This excellent 3-point shooter averaged 20 points a game at Southern Union Community College. Thanks to the work of Coach Danny Young, Damir Vukotic (6-9), joins the team from Sarajevo, Bosnia. He has great Ball handling skills for a player with his size. Harry Geddis, from Balltimore, Maryland is the team's only walk-on who works hard by doing the little things. Freshman Phil McKnight, a 6-4 guard comes to Salem from Lancaster High School in Ohio. There he Averaged 11 points and 9 rebounds per game. He is the youngest member of the Tiger team, however once he steps on the court he fits in perfectly.

"We have a great challenge in front of us. Our new players will have to step up and contribute immediately. Our veterans will have to be leaders both on and off the court for us. With Derrick and Ed we should have a great inside game. We are a smart team with great chemistry. We have accomplished great things in the past, but this year is different. We need to get to the next level-An NCAA Championship. It's a hefty goal but anything short will be a disappointment Coach Mike Carey."

President: Brad Warnimont

Vice President: Jerry Shearer

Secretary/Treasurer: Cheryl Morgan

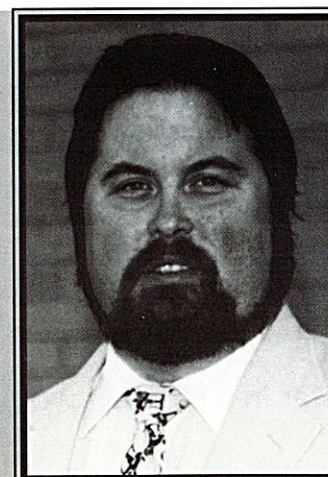

Assistant Athletic Director & NCAA Compliance Coordinator Lou Talerico

When Mike Carey is not around, Lou Talerico assumes the athletic director's responsibilities. As NCAA Compliance Coordinator, each SIU athlete's eligibility must be approved by him. He's been a member of the staff for over nine years and is a familiar face in the school community.

Executive Athletic Secretary Cheryl Morgan

Efficiency, hard work, and understanding are a few of the qualities Cheryl Morgan brings to the athletic department. With over 15 years experience, she is the professional and ethical "gyroscope" upon which the entire staff depends to get things done... and done right. Her caring and giving personality is well known to the student-athletes — a "mom-away-from-home."

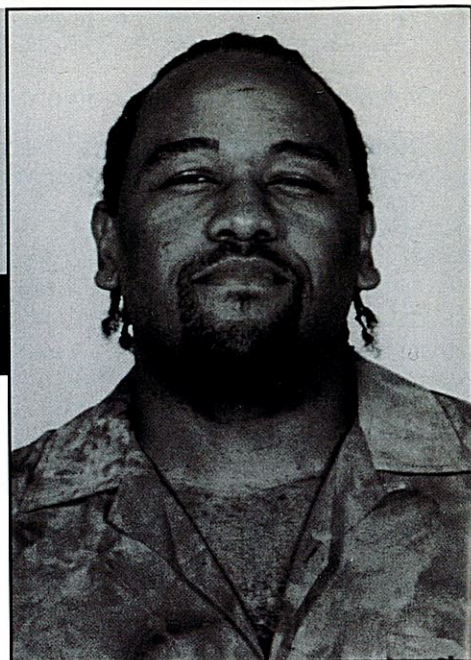

"The Voice of the Tigers" Perry Cain

For well over a decade now "The voice of the Tigers", Perry Cain, has added to the excitement at T. Edward Davis Gymnasium. His enthusiasm for SIU basketball is contagious and he brings this enthusiasm night-in and night-out with his echoing "Thhhrrreeeee POINT GOAL!!!" Perry is also the Tigers' official scorer and long-time supporter of not only SIU basketball but Salem International University as a whole.

3 ED JENKINS CAPTAIN

SENIOR 6'9", 260 CENTER
COLUMBUS, OHIO

At A Glance...

For a player who barely touched the ball last season, Ed Jenkins enters his senior year shooting 65% from the field, averaging 12.6 ppg and 8 rpg. He was 1st Team All-Conference and WVIAC Tournament MVP during the 1999-2000 season. Ed was named 2000 Pre-season All-American in the Division II Bulliten Super 16 Selection. He is the strongest player on the Tiger team, and obviously the most intimidating with his 6'9", 260 pound build. Jenkins has a great touch around the basket, and can dunk the ball over just about anyone who crosses his path. He is also this year's co-captain with Mike Blunt.

Ed has dedicated himself more to basketball this summer. This young man has lost weight and worked extremely hard in the off season. He deserves all the credit. He is the most skilled inside player I have ever coached. He has always been a positive image for this program and will continue to have that impact...he is a role model on and off the court for our guys and to the public. All the doors are open for Ed, however, it is up to him which one he chooses. He needs to take advantage of his options, and continue to work on his game. If he does these things we will be successful and we may even see him on TV next year_ Coach Mike Carey.

SOPHOMORE 6'9", 225 FORWARD
SARAJEVE, BOSNIA

At A Glance...

This 6'9" forward joined the Tigers halfway through preseason from Sarajevo, Bosnia thanks to the hard work of Coach Danny Young. He has excellent skills for a 6'9" athlete, and is looked to help the team out tremendously. Damir's biggest challenge this year will be to adjust to the American way of basketball. He is used to half court basketball, and in our conference there is a lot of full court pressure. He will continue to get better as the year goes on once he learns how to execute in a full court set - Mike Carey.

Phil McKnight, a versatile 18 year old 6'4" guard from Lancaster High School, is the only freshman for the Fightin' Tigers this year. Coming out of high school averaging 11 ppg, 9rpg, and 6 assists, he is expected to contribute immediately. For as young as Phil is, he knows the game of basketball. He is a 6'4 athlete that can play on the perimeter and post up inside. He is a hard worker that has a lot to learn, however, because he is such a smart player he should have no problem adjusting to our style of play - Mike Carrey.

Head Men's Basketball Coach MIKE CAREY

Head coach Mike Carey enters his thirteenth year at Salem International University. He directed his 1999-2000 Fightin' Tiger team to a 28-4 on the year and 16-3 in the conference. Carey's team was ranked #1 in the country for eight straight weeks, however ended the season ranked #9. Never satisfied, Carey hopes to make more than an appearance at the NCAA Division II Tournament this year.

Carey, born in Clarksburg, WV is a lifelong resident of Harrison County. As a student, he earned his Bachelor's and Master's degree in Physical Education from Salem College. As a basketball player, he was part of highly regarded tradition earning many accolades including: Freshman Player of the Year (1977), WVIAC Leading Scorer (1978), Salem College Player of the Year (1979), WVIAC All-Tournament Team (1979), and scored over 2,000 career points (1976-1980). In 1993, Carey was inducted to the Athletic Hall of Fame at Salem International University.

Coach Mike Carey has obviously taken a lot of pride coaching his Tiger team. In the past four years, Mike's overall record is 112-14, a record that any coach would be proud to be a part of. During this short time span, he also lead his team to five West Virginia Intercollegiate Conference Championships (WVIAC), two WVIAC Tournament Championships, two Elite Eight NCAA appearance, and one NCAA Division II Final Four Appearance. It takes a great team to win these awards, however a dedicated and determined coach is also needed. Carey was honored individually as being the WVIAC Coach-of-the-Year in 1997, 1998, and 1999. Carey also holds the record for most wins at Salem International University with 262.

Since Mike Carey has been the head coach at Salem International he has posted five national post-season appearances: two in the NAIA and four in the NCAA Division II level. His Tiger team has consistently been at the top of the conference. During the 1993-1994 season, the Tigers were ranked #2 in the country in NAIA, and were seeded 3rd in the national tournament. This year was also Carey's first time to be named the WVIAC Coach-of-the-Year.

Mike Carey is also Salem International University's Athletic Director, and Dean of Students. As Athletic Director, Carey took the athletic department from an NAIA school to a NCAA Division II powerhouse. When Mike was named Athletic Director in 1988 there were only three intercollegiate teams. Since then, the athletic department has expanded to fourteen teams due his hard work and determination. This is Carey's first year as Dean of Students. Even though Mike is very busy heading the athletic department and leading his Tiger team, he always takes time out for the students of Salem International

Carey also coached baseball for five years at Liberty High School (83-87). From 1986-1987, Carey was the Head Boys Basketball Coach (18-5).

Meet the Coaches...

Assistant Basketball Coach **DANNY YOUNG**

Danny Young enters his 5th season as Coach Mike Carey's first assistant at Salem International University, and his 11th overall. He has helped lead the Tigers to an 112 and 14 record, a number one national ranking for eight consecutive weeks, four West Virginia Intercollegiate Athletic Conference Championships, two NCAA East region Championship, one NCAA Division II Final four appearances, and a NCAA "Sweet Sixteen" tournament appearance since his arrival in 1996. One of the countries best recruiters, Young has played a major role in bringing top athletes like Frank McQueen and Ed Jenkins to our town of Salem.

"Danny is the best recruiter I have ever been around. He takes a lot of pride in his recruiting. If it wasn't for his hard work and dedication we would not have been as successful in the past" - Mike Carey.

Before coming to SIU, Young was an assistant at Wheeling Jesuit University. Prior to Wheeling he was the Head Assistant Coach for former National Basketball Coach (NABC) President Bob Hansen. While

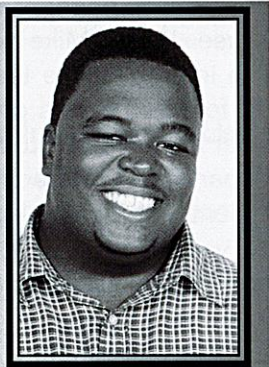

assisting in Nebraska, Danny was in charge of recruiting, academic advising, scouting, and was the strength and conditioning coordinator.

Danny Young's first college coaching job was at Grand Canyon University in 1990. He was at Grand Canyon for three seasons where he served as the recruiting coordinator. Young helped guide the Antelopes to a 62-28 record, three Pacific West Conference Championships, and two appearances in the NCAA Division II Championships. Ranked in the top twenty nationally all three season, the Antelopes success was a direct result to Coach Young's recruiting.

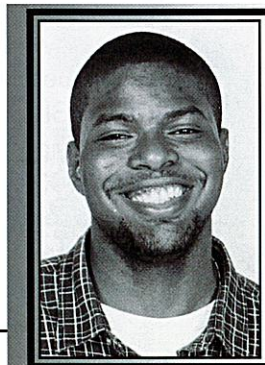

Danny Young played and graduated from Grand Canyon University with a Bachelor of Science in Physical Education. He resides in Clarksburg with his wife Sabrina and his two children Caleb and Sophia.
